

NE3D Ltd is committed to ensuring the most positive impacts possible in terms of our own environmental and social performance. As such we will;

- Comply with the requirements of environmental legislation and approved codes of practice
- Assess the environmental impact of all historic, current and likely future operations
- Continuously seek to improve environmental performance
- Reduce the use of all raw materials, energy and supplies
- Raise awareness, encourage participation and train employees in environmental matters
- Assist customers to use products and services in an environmentally-sensitive way
- Liaise with the local community
- Participate in discussions about environmental issues.

This policy will be used as a framework for setting and reviewing our environmental objectives and targets.
